

**Reference Number:** FOI202223/005

**From:** Private Individual

**Date:** 01 April 2022

**Subject:** collection of CQUIN performance data for CCG2 CQUIN: Appropriate antibiotic prescribing for UTI in adults aged 16+ from the 1st April 2022

Q1 Will you be collecting CQUIN performance data for CCG2 CQUIN: Appropriate antibiotic prescribing for UTI in adults aged 16+ from the 1st April 2022

A1 No.

A number of national CQUIN have been developed for local commissioners and NHS trusts to consider for 2022/23. As a specialist Children's Trust we are currently in the process of agreeing CQUINs. CCG2 is not a CQUIN the Trust will be collecting data for.
