From: Commercial
Date: 07 April 2022
Subject: Invoice details for all invoices where the payment date is greater than 30 days after the invoice date

Q1 I am writing to you under the Freedom of Information Act 2000 to request the following information from your Accounts Payable department:

For all invoices where the payment date is greater than 30 days after the invoice date.

Invoice payment data for all trade suppliers, paid from April 1, 2017 – October 31, 2021 to include the following data fields:

- a. Supplier name
- b. Invoice date (date on invoice)
- c. Supplier invoice reference
- d. Invoice number (your system reference)
- e. Date invoice was paid
- f. Invoice gross value

A1 *a: Please see attached document: FOI2223 014 Response. Please note, this data is from January 2019 – October 2021, as we switched over from our old system to the one we currently use in January 2019. The data was migrated over from the old system to the new system; however, we are unsure what time period the migrated is from and we cannot separate out information from 2017 onwards.*

b-e: Information exempt under s31 – law enforcement, specifically section 31 (1) (a) relating to the prevention and detection of crime.

We have assessed the public interest in disclosure and believe the only factor for release would be openness and transparency, however the factors against release clearly outweigh this as release of the information would or would be likely to lead to fraud because the information could be used facilitate supplier mandate fraud, which would/would be likely to have a substantial impact on the Trusts reputation therefore causing financial loss and would damage the Trusts commercial interests.
