From: Private Individual

Date: 19 April 2022

Subject: number of and details regarding incidents of racist/xenophobic behaviour from patients towards staff in 2021

Q1 Please tell me how many times your Trust has logged an incident of racist/xenophobic behaviour from patients towards staff in 2021.

A1 Zero

Q2 For the five most recent cases, please tell me

- the job title of the member of staff against whom the behaviour was levelled
- a brief summary of the content of the complaint (e.g. patient told black doctor to "go back to where he came from" raised voice and used profanities)
- the action taken by the Trust

A2 Not applicable, as per A1 above
