Subject: number of patients who were relying on life support machines to survive but had them turned off and reasons why

I am writing to request information under the Freedom of Information Act 2000. I am looking for information about students being disciplined. Please could you provide the information in excel format.

Some parts of this request may be easier to answer than others, and should this prove to be the case I would ask that you release available data as soon as possible rather than hold up the entire request.

If FOI requests of a similar nature have already been asked could you also please include your responses to those requests.

Specifically, could you please provide me with the following details:

- Q1 The number of patients who were relying on life support machines to survive but had them turned off due to doctors' or a doctor's discretion
- A1 Zero
- Q2 Please could you include details of why the patient's life support machine was turned off.
- A2 Not applicable, as per A1 above
