Subject: Contract details for offensive waste disposal services

Q1 Please could you let me know about the services that you use to collect

- a. Offensive waste
- b. clinical waste

Specifically, could you please let me know when you will next tender for these services, which framework you prefer and the annual tonnage for offensive waste and clinical waste?

A1 a. Our current contract expires on 30/09/2026 but includes an option to extend for a further 2 years until 30/09/28. Therefore it's unlikely this contract will be re-tendered until early 2026, or early 2028 if the extension period is taken.

We're unable to confirm which framework would be used at this stage due to the length of time left on the current contract.

b. Our current contract expires on 22/04/2027 but includes an option to extend for a further 2 years until 22/04/29. Therefore it's unlikely this contract will be re-tendered until mid-2026, or mid-2028 if the extension period is taken.

We're unable to confirm which framework would be used at this stage due to the length of time left on the current contract.
