

Reference Number: FOI202223/289
From: Commercial
Date: 13 September 2022
Subject: IT disposal contracts and processes involved

Q1 Does the NHS Trust currently have a contract for IT disposal?

A1 No, there is no contract in place for IT disposal.

Q2 If not, what do they do with the redundant IT equipment?

A2 We use Concept Management for collections of redundant IT. These collections are completed on an on-demand basis. Hard drives and memory are removed from the devices, therefore no data is transferred.

Q3 If they have a contract, which company handles the contract?

A3 There is no contract in place, as per A1 above. However, we do use Concept Management as an when needed.

Q4 If they have a contract, when does the contract expire?

A4 Information not held – there is no contract in place, as per A1 above

Q5 If they have a contract, is it advertised in the European Journal or other Purchasing Publication – please detail?

A5 Information not held – there is no contract in place, as per A1 above

Q6 How many PCs, laptops, servers and TFT screens will the University / Council / Trust typically dispose of during a calendar year?

A6 Full calendar year (01/01/2021 – 31/12/2021)

- All In one: 67
- Base Unit: 352
- Laptop: 86
- Server: 2
- Thin Film Transistor (TFT) monitor: 136

Q7 Who has overall responsibility for the disposal of IT equipment within the University / Council / Trust? Please supply name, telephone and email details.

A7 Leanne Fearnough, Head of Technical Services,
Leanne.Fearnough@alderhey.nhs.uk and Joe McIntyre, Head of Operational IT,
Joe.Mcintyre@alderhey.nhs.uk
