Subject: Financial grants applied for to fix issues related to reinforced autoclaved aerated concrete (RAAC) in the building in the last 10 years.

Q1 Please can you tell me how much money Alder Hey Children's NHS Foundation Trust has applied for to fix issues related to reinforced autoclaved aerated concrete (RAAC) in the building in the last 10 years. If there are multiple hospitals looked after by this trust, please separate the sums applied for each.

I would like the amounts requested, who its requested from and the dates of submission, then the amounts received, who it was received from and the dates of receipt.

A1 [Zero – The Trust has made no such applications in this time.](#)
