Subject:	Number of days taken off by staff at your trust reporting sickness absence with a reason of anxiety, stress, depression or other psychiatric illness.

Q1   I would like to know the number of days taken off by staff at your trust reporting sickness absence with a reason of anxiety, stress, depression or other psychiatric illness.

I would like this information for each of the last 5 calendar years as follows: 2017, 2018, 2019, 2020, 2021.

If possible, please could I have this broken down by staff type, e.g. nurses and midwives, doctors and other staff.

A1   Please find in the below table data showing calendar days lost with an absence reason of S10 - Anxiety/stress/depression/other psychiatric illnesses. This is split by staff group and is provided for 2017 to 2021 by each calendar year:
