From: Commercial
Date: 14 February 2022
Subject: Spend on Training Courses

Q1 How much has been spent on training courses / qualifications for staff in the following categories, and how many people have undergone this training?

A1 Q1.1- Mandatory training (includes E-Learning if applicable)

Financial year	Total spent on training	Number of participants
2020-2021	£389,404.84	Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.
2019-2020	£522,120.73	
2018-2019	£821,442.26	

Q1.2 - Level 5-7 Courses (includes E-Learning if applicable)

Financial year	Total spent on training	Number of participants
2020-2021	Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.	
2019-2020		
2018-2019		

Q1.3 - Level 2-4 Courses (includes E-Learning if applicable)

Financial year	Total spent on training	Number of participants
2020-2021	Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.	
2019-2020		
2018-2019		

Q2 What departments deal with the provision of qualifications/courses and Who is the lead for provisioning these courses?

(if multiple departments deal with the provision of qualifications and courses, please break down which department deals with what)

A2

Department Name:	Training provisioned	Contact Number	Email Addresses	Name of training

	by department			manager / most relevant person
Learning and Development	All	01512525773	Darren.Shaw@alderhey.nhs.uk	Darren Shaw

Q3 Do you purchase any training from external training providers? If Yes please list the amounts below.

For the “Courses supplied by training provider and number of participants” please only include the most commonly provided training, you do not need to include courses with less than 10 participants over the course of the 2020-2021 period.

If you receive any fully funded courses, please include the providers of this in the below answer sheet and put “fully funded” in the amount paid to the training provider.

A3

Training provider	Amount paid to training provider (2020-2021)	Number of participants (2020-2021)	Courses supplied by training provider and number of participants
Liverpool Heart and Chest	£2,250	15	Mary Seacole Programme License Holder – 15 participants
Partnership Projects	£18,720	26	Non-Violent Resistance full certificate course – 26 participants
University of Chester	£19,411	80	International Nurse Support & Development – 80 participants
Edge Hill University	£6,600	20	Clinical Supervision
Calm Training	£4,932	35	Physical Intervention Training – 35 participants
MHFA England	£15,000	50	Mental Health First Aid – 50 participants
Point of Care	£7,500	30	Schwartz Facilitation – 30 participants
Creating Compassion	£4,000	200	Self-Compassion at work Programme – 200 participants
