Subject: Clinical Imaging Devices

Q1 I am currently updating data on your Trust's clinical imaging equipment.

Can you please complete the fields in the attached spreadsheet with what you currently hold?

The spreadsheet has two tabs, please fill out the first tab if you have a MES contract. In the second tab I prefilled the asset details I currently hold. Please fill out the missing information, please use the drop-down list where possible.

Please fill out the second tab even if your equipment is not under a MES contract.

In the Equipment detail column please give a short description of the asset:

- for CT please write the number of slices
- for MRI please write the Tesla
- for Fluoroscopy please write if its fixed or mobile, flat panel or image intensifier
- for Mammography please write if it is static or trailer, 2D or 3D
- for Nuclear please write if its PET, PET-CT, PET-MRI, SPECT or SPECT-CT,
- for Ultrasound please write the capability (2D, 3D, 4D)
- for X-ray please write if it is static or mobile, CR, DR or retrofitted

In the modality column, you can choose the type of the machine. Examples: CT, Ultrasound

In the Replacement schedule column, you can choose how the replacement is handled. Examples: Decommissioned, Due for replacement

In the Ownership Structure column, you can choose who owns the machine. Examples: Capital purchase, Lease hold

In the 'How is the ownership accounted for?' column, you can choose how the machine was acquired. Examples: Capital cost, MES contract
