Q1 Can you tell me how many commercial clinical trials have been taking place in this hospital trust during 2021?

This could be completed trials, or trials that are ongoing. When I say “commercial trials”, I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

A1 Alder Hey had 29 commercial research studies either open to recruitment or in follow up during 2021.

- 12 of these studies closed, follow up completed during this year.
- 6 of these studies opened during 2021
