Subject: NHS Drug Expiry Costs

Q1 What is the total value of drugs that have been disposed of due to going past their expiry date, for each of the following years: 2019/20, 2020/21, 2021/22

A1

| | Value of Out of Date Stock |
|-----------|----------------------------|
| 2019/2020 | £131,767.07 |
| 2020/2021 | £178,657.63 |
| 2021/2022 | £173,143.62 |

Please note, we can only provide information for the drugs that have been disposed of within the Pharmacy department. We do not hold the information for the drugs that have been dispensed to the wards, and then disposed of due to their expiry date.
