Q2 Please provide details of whether you use Internal or External resource for developing integrations.

- If an external resource is used, please provide details of how new developments are priced within the contract. For example, number of days x day rate, fixed price, case by case.
- If an external resource is used, what is the term of the contract and when does it end?

A2 Internal Resource  
 a-b: not applicable

Q3 Please provide details of whether you use Internal or External resources for managing and maintaining integrations.

- If an external contract is used, please provide details of the contract provision (i.e. maintain, incident management, support etc) the term of the contract (start date & end date) and the contract value.

A3 Internal Resource  
 a: not applicable

Q4 How many new integrations have been commissioned with external resources over the last two Financial years (FY 21/22 & FY 22/23).

A4 6 New System Integrations

Q5 How much did your organisation spend on integration developments by external resources in the last two Financial Years (FY 21/22 & FY 22/23)?

A5 Zero spend on external resources, as we used Internal Resource

Q6 For the quantum of integrations identified in question 4, please provide a sense of scale as to whether the development effort was Small, Medium or Large. As a rough guide, development effort is estimated as:

Small	< 12 days
Medium	>=12 & < 25 days
Large	>= 25 days

A6 4 systems were Medium development and 2 systems were Large development
