

Reference Number: FOIAH2324/140
From: Private Individual
Date: 12 June 2023
Subject: Asbestos removed from Alder Hey site

Q1 Can you confirm how much asbestos was removed from the following;

- Original old Alder Hey Building that fronted onto Eaton Road
- Mulberry House
- Recently demolished Catkin Building
- Remaining original site not including those already mentioned

A1 Information not held – The Trust does not hold information regarding quantity of asbestos removal.

Q2 Can you confirm the individual cost for removing asbestos for the 4 listed options above.

A2 Information not held – the Trust does not hold information of specific costs for quantity of asbestos removed.

Q3 Answering individually for the 4 options listed above, can you confirm how much asbestos left the site entirely and how much asbestos is still located on any part of the site that includes Alder Hey land, Springfield Park old and new and the corner plot that runs along Alder Road and Eaton Road that was originally sold to Step Places.

A3 Information not held – The Trust does not hold information of how much asbestos left the site, similarly no information is held specifically on how much asbestos is still located either in volume or weight relating to the areas above.
