

Reference Number: FOIAH2324/426
From: Private Individual
Date: 06 November 2023
Subject: Treatment and diagnostic pathways for patients presenting/ diagnosed with PANS/PANDAS

- Q1 Please could you send me under the FOI act details on whether your treatment and diagnostic pathways have changed for patients presenting/ diagnosed with PANS (Paediatric Acute-onset Neuropsychiatric Syndrome) and PANDAS (Paediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) since the British Paediatric Neurology Association update in February 2023?
- A1 Patients with acute neuropsychiatric symptoms are managed as individuals at the Trust and in conjunction with appropriate liaison psychiatry, community and education services. This has not changed since February 2023.
