Subject: Use of digital tools to manage Musculoskeletal and Pelvic Health

Q1 Are you currently using any digital tools to support patients' self-management in MSK (Musculoskeletal)

A1 Information not held - We do not currently use any digital tools to support patients' self-management.

Q2 Are you currently using any digital tools to support patients' self-management in Women's Pelvic Health

A2 Information not held - Alder Hey Children's NHS Foundation Trust is a specialist children's hospital and does not provide Women's Pelvic Health services.

Q3 If yes, which digital tools are you using for both?

A3 Information not held – as per A1

Q4 If not, do you have plans in the future to use digital tools for MSK and Women's Pelvic Health?

A4 Information not held – We do not have any immediate plans to deploy either an MSK or Women's Pelvic Health digital tool.
