Subject: Assault attendances to Emergency Department 2023

We are conducting an annual national study of attendances to Emergency Departments for assault-related injury and will be grateful if your department could provide us with attendance data for 2023

Q1 Data required (for period between 1st January 2023 and 31st December 2023).

- a. We require the gender of the patient (M or F), the date that they attended due to assault (dd/mm/yyyy) and their age. Age can either be numerical to the nearest year (preferred) or in age bands ("0-10", "11-17", "18-30", "31-50", "51+"), we can also accept date of birth.
- b. To calculate the level of assault-related injury in England and Wales we also require the total number of attendances for any reason in the year of interest, i.e., 2023.
- c. Please also include the names of hospitals (including Minor Injury Units and Walk-in Centres) providing assault data
