Subject: Ophthalmology Services - wet AMD Injections/Clinics

WET-AMD INJECTIONS:

Q1 What is the maximum number of wet-AMD injections you can facilitate in a week?

A1 Not applicable, as a paediatric hospital the Trust do not treat patients with AMD (Age related Macular Degeneration).

A) Do you run out-of-hours lists to keep up with demand for wet-AMD injections?
B) If you are running additional lists, how are these lists being accommodated?
Q2 C) If you are running additional lists, are you utilising any alternative clinical space?

A2 Not applicable, as per A1.

A) What is the current waiting time for patients to secure an appointment for Wet-AMD injections?
Q3 B) What was the wait time at the same point in time in 2023?

A3 Not applicable, as per A1.

A) How many patients are currently waiting for an appointment at a wet-AMD clinic?
Q4 B) What was the wait time at the same point in time in 2023?

A4 Not applicable, as per A1.

A) Do you have a contingency plan to increase capacity should this be required?
Q5 B) If so, what is your contingency plan for wet-AMD injections?

A5 Not applicable, as per A1.

GENERAL CAPACITY:

Q6 Are you outsourcing any ophthalmology clinical work to external parties or utilising insourcing partners? If so, what?

A6 No

Q7 What condition takes up the majority of your clinical slots?

A7 The Trust see a range of conditions with no one condition taking up a majority.

Q8 Would you consider a mobile unit as an option to expand services and capacity?

A8 No

Q9 What is the name and contact details of the Ophthalmology Service Lead?

A9 Jane Marshall (Jane.Marshall@alderhey.nhs.uk)
