Subject: Organisational Structure for IT Department

Q1 Please could you send me an organisational chart including positions, names of people who hold these positions and their contact details, for the IT department at Alder Hey Children's NHS Foundation Trust.

A1 Please see attached 238 FOI Response.

Regarding contact details, Information not held – Many staff in this area now adopt an agile approach to working meaning they do not have a set workspace with direct telephone contact. Staff use email as their main method of correspondence or may be contacted via the hospital switchboard.

Staff names exempted under Section 40: Personal Information. Although the information relates to their public role and accountability for managing budgets, disclosure of names of all individuals may potentially have adverse consequences to the employees. Any names of staff that are available in the public domain are accessible via our website:
