

Reference Number: FOIAH2425/371
From: Private Individual
Date: 08 October 2024
Subject: Treatment of Haemophilia A patients with a list of drugs

Q1 In the last three months, how many Haemophilia A patients did your trust treat with the following:

- a. Advate
- b. Adynovi
- c. Elocta
- d. Esperoct
- e. Hemlibra (standalone)
- f. Hemlibra in combination with any Factor VIII product
- g. Any other product

A1 Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data. In order to confirm treatment following medication being dispensed, the Trust would be required to access personal data of the individuals and as such the data is exempt under Section 40: Personal data.
