

Reference Number: FOIAH2425/395
From: Private Individual
Date: 17 October 2024
Subject: Patients Treated for Wet AMD with Specific Drugs

Q1 In the last 12 months of data that you have available, how many patients were treated for wet AMD (wet age-related macular degeneration) (ICD-10 Code H35.30) with the following agents:

- A) Bevacizumab
- B) Faricimab
- C) Ranibizumab
- D) Aflibercept

A1 Not applicable, this is not a paediatric condition therefore is not treated at Alder Hey Children's hospital.

Q2 If possible to answer, in the last 12 months of data that you have available, how many other ophthalmology patients have you treated with the following agents (please list how many for each agent separately):

- A) Bevacizumab
- B) Faricimab
- C) Ranibizumab
- D) Aflibercept

A2 Not applicable, as per A1.
